## WHO WE SUPPORT

We are dedicated to marine conservation and supporting people involved in the marine sector.

**15% of our profits go to marine-industry charities.**

We pledge to help protect the oceans, our industry, and help those who need support to enjoy time on the water.

# WELCOME TO ZENITH

---

Global support for the  
superyacht industry.

Our specialist team knows superyachts  
inside and out.

Your Zenith personal consultant will work  
with you to build a long-term understanding  
of your ongoing bespoke requirements and  
will support you accordingly.

Our specialised knowledge and experience  
ensures that you and your vessel are  
receiving the best possible service.

We are a U.K. based company with hubs in  
the South of France and Fort Lauderdale,  
enabling seamless door-to-door deliveries  
alongside our global shipping service.
